28.330 USB, 146.850- 146.970- 444.000 +

Our President, KI4TTS, Doug Macdonald, called the March meeting to order at 7:30pm. All members and guests introduced themselves. This was a small meeting with only 13 members and 1 guest present. Where did everybody go? Many of the regular attendees were missed. Jim Griffith, KJ4RGV, remembered his call. (Good job, Jim)

Our Treasurer, KA3JAL, John Germain was out of town so no report was given. It was commented that the report has changed very little if at all. The previous report was as follows.

Began February with \$4,475.78

Dues Collected inn Feb. \$55.00

Ended February with \$4,530.78

The repeater account stands at \$4,603.14.

Hopefully we will see John at the next meeting and get an update then.

ARRL Section Report: -- No report this month.

PIO – No report this month.

Repeaters: The 85 machine was reported as going just

great but the VHF is about 600 Hz off and needs adjusting. The 97 was not reported on, not was the 444mHz repeater. All repeaters need more use.

Old Business: We still need someone who would be interested in being the Emergency Communications contact. If you can do this, please let Doug, KI4TTS, Tim, K4TGK or John, KA3JAL know you are interested. This ad may run until some-one steps forward.

Renewals: Membership renewal was over on April 1st. Several names have been dropped from the club roster. Bill Biagioli moved out of state and Jim King resigned giving reasons of time, but several persons have not been heard from. If you contact these persons, ask them about their membership.

In addition to the the previous two people, the following did not renew:

Mark Davis, Win Dewitt, Dave Jones, Earl Parnell, Steve Rath,

Meeting at Shoney's 7:30 P.M. on the 5th

The FARC QSO

FARC QSO is published monthly by the Florence Amateur Radio Club to provide information to its club members, to all persons interested in wireless communication, and to encourage the promotion of amateur radio in the Pee Dee area of South Carolina.

The editorial staff reserves the right to edit and rewrite for content and space. Deadline for all articles is the 15th of the month.

The editor welcomes your suggestions and comments about this or future publications.

Tim Kaylor, K4TGK, Editor

ARES - Open

Annual Dues at \$36, plus \$14 repeater fund, payable on January 1 of each year.

FARC nets meet each week on
Monday 8:30 pm on 146.850- and
Wednesday at 8:30 pm on 28.330 USB

Brad Turner, and Tim Webber. These names have been dropped from the roster As of April 1st and these people will need to reapply for membership if they wish to continue.

Field Day : K4TGK again reported on Field Day at the meeting. A letter has been sent to attempt to get permission at the Magnolia Mall this year. Hopefully we will be able to set up and operate at the mall because it would give us good exposure and possibly convince a few new people to join the hobby. We hope to be able to demonstrate that radio is still fun, interesting, educational and relevant. We will need people to supply equipment (radios, etc.) and operate. Other venues are also being considered as a backup. Once again, Please contact Tim if you have any ideas, plans, help, etc.

Clemson Rural Heritage Celebration and Run/Walk:

The Clemson Rural Heritage Celebration and Run/Walk was cancelled this year. It had been scheduled to take place on April 16. Unfortunately, there were severe storms possible that day and Dr. Jim Frederick, the director, cancelled the event. Here in Florence we actually got very little of the storms, but across the south and into North Carolina there were over 40 fatalities tied to the bad weather. It was probably better to cancel the event than to have the chance of

BJ Lounge Saturday 9AM

someone getting hurt or worse at this outdoor event. We will try again next year.

New ham in the area :

Ray Gershon, W3GSI, has moved to the Florence area. He moved here from the Atlanta area. He works at Assurant on Celebration place, just down from the Bojangles where we have the Saturday morning Eyeball QSOs. Ray says he kept getting sent to Florence by the company for two week stints, so he asked if he could just move here. The company transferred him and now he travels away from home less. He is interested in joining our club but works later than the club meets, so has a hard time getting to meetings. He is trying to find a way. Ron has a Yaesu FT-60 and an Alinco mobile at present and is working on finding a way into an HF rig. If you hear Ron on the air, say hello.

VE Testing: There was a testing session on April 9th at Carolinas

Hospital, Building B, 2nd floor. The session went quite well. There are 2 new hams, Zach Dedonis and Gerald Carroway. Zach is now KK4BMG and has a technicians license. Gerald is now AK4HK and is an Extra. He took all 3 exams and passed at one sitting! Amazing.

Wayne Bramble, KJ4NNT, took his extra exam and passed. Good going Wayne.

Wendy Ransom, a math teacher from Hartsville, took the general exam and passed it.

Congratulations to all these for their accomplishments.

Our next VE session is scheduled for October 8, 2011, 9 a.m. at Methodist Manor.

May Birthdays

22 Horace Beasley, WA4OPF
23 John Schumacher, N4DOU
27 Doug Macdonald, KI4TTS

Do you know?

Can I operate my station in Canada?

When a US amateur operates in Canada, simply bring your FCC license, proof of your US citizenship (a birth certificate or other proof) and identify as call/ Canadian identifier, like N1KB/VE3. At least once during the communication, you must state your geographical location, like "30 km north of Toronto."

Upcoming Events

FARC QSO May, 2011

May 1 Upstate Hamfest in Spartanburg, SC.

May 3 FARC Meeting at Shoney's on Highway 52.

May 8 Rockingham County Swapfest, Reidsville, NC
No Mayfly this year.

Our Disabled List

Please remember our members who are currently having medical problems:

N4TJ, Tommy Johnson is home after more than 30 days in the hospital

W4ID, Wayne Cooke is still recovering from abdominal surgery.

KJ4DGT, Rob Belinski is recovering from knee surgery following a skiing accident.

W4JUB, Juby Phipps is recovering at home after a serious hospitalization.

W4PFZ "Mac" McDaniel had surgery April 8 and is home from the hospital.

KJ4BVK, Jim McDonough has lost the fight against liver cancer. He was not a club member but many of us knew him.

KO4L's mother is recovering from a botched colonoscopy. She is getting better
